Discussions:

President's report: Welcome.

Principal's report:

- Distribution of Interim Superintendent Hershel Lyons
- Continuing to implement the Common Core Standards (CCS) adopted by Florida, one of 45 states designing the standards, though the assessment is still unsure due to Florida's recent secession from the consortium developing the tests aligned with CCS
- 10/1/2013 4:30-6pm marked the first EHS night at Village Green (a Section 8 public housing area from which many EHS students come). EHS staff brought Open House to the families instead of requiring them to come to EHS. Some families came by to meet EHS staff and to discuss students, enjoying pizza provided by PTSA. Discussion of perhaps different food model: possibly pizza, coupons and lollipops (for the many young children who came out of curiosity). The 12 pizzas were more than enough. **Action item:** Revisit best use of funds considering demographic.
- Fall Musical, *Jesus Christ Superstar*, will run intermittently from 10/22-11/2. Check EHS website for specific dates/times
- Restroom renovations underway for one boys' and one girls' restroom near the Media Center

Treasurer's Report:

- Year-to-Date Budget 2013-2014, 09/30/2013 presented:
 - o Note that last year's Box Tops mistakenly sent check to EHS, not PTSA. Because of accounting restrictions for PTSA, the money must first be deposited in PTSA account before being used by EHS. **Action item:** Claudia Vega to work with Mr. Charbonnet to transfer \$535.60 from EHS account to PTSA account, with the result that the line item will appear disproportionately large for this year.

Fundraising Report:

- Great response to t-shirts
- Moe's nights 10/2; under \$1500, we get 10%; over, 15%. Ways to increase percentages to justify labor output?

Teacher Appreciation/Breakfasts: All good. Great volunteers.

Membership: Report sent by email from Rosemary; attached at end of these minutes.

Beautification: Whole school students/parents invited, 10/19, 9am-noon, pizza and water provided by PTSA

Next Executive Board Meeting: November 6, 2013, 9:00am, Hollinger Hall.

Upcoming Parent Information night: "What to Do to Get Ready for College," October 29, 5:30-7:30pm, Hollinger Hall.

Meeting adjourned 10AM.
